WHEN MOTHER GETS DOWN TO THE PARLOR FIRST

She Proves That Press Agents Are to Be Found in Most Families. Driving Daughter's Suitors Away and Making Johnnie Spell Big Words on the Train

To HAS been said mothers are the been different, but we were and yet the show was entirely for us.

This is quite natural and as it ought to be; otherwise all the little boys and girls of the world, the boys and girls of the world, the boys and girls of the world, the boys and these world, the boys are the best along long treekle-faced ones and those who never get more than twenty in arithmetic, would be less beloved than they are again to always and the said again.

et she world know how bright their children are.

"Spell 'Schuylkill, denouse," was the remark that first attracted out attention. And Johnnie surely could spell schuylkill, no matter how many days and nights it took him to learn.

"Johnne you can sing Over There." Don't you remember the words to Over There? Why, I thought you were a smart boy Come on her.

"Over there, over there." Insiness of mamma singing "over There." Then urged, lured and the steel, description.

The Village would be description would singing the series of the sound from the description.

The village which knows?

We pretured Johnnie, at the age of eighteen only to would he would be come John with some for support, and the house for support to the house urged, lured and threatened, came the climax to the inthe same. Jahmak sang "Over There!" New it has have taken a long time to get Johnnis stirted, vocally speaking, but when he fince decided to not well, there wasn't any one on the train a bo didn't wonder what was hammaking.

are. It is quite natural and yet some times riding on trains we could wish the press agents would use quiefer with a little boy of six, say affords a good opportunity to know what circus advertising some women use to let the world know how bright their who knows."

Along in the world without baying an advance agent go alond and tell about how good your act to going to be We many good your act the age of ten danged into the parlor after having been talked along, at library of some would incer to play about a training an area.

Who knows:

We prefure a few orld without baying an advance agent go alond and tell about how good your act to going to be We along in the world without baying an advance agent go alond and tell about how good your act to going to be We along the the world without baying an advance agent go alond and tell about how good your act to going to be We along the property of the world without baying an advance agent go alond and tell about how good your act to going to be We along the world without baying an advance agent go alond and tell about how good your act to going to be We along the world without baying an advance agent go alond and tell about how good your act to going to be We along the world with a little boy of six, say affords a good opportunity to know what circulated and the world without baying an advance agent go alond and tell about how good your act to going to be We along the world without baying an advance agent go alond and tell about how good your act to going to be We along the world with a little boy of six, say affords a good your act to going to be we good your act to going to be we along the world with a little boy of six, say affords a good your act to going the world was along the world was a

THE DAILY NOVELETTE

MAZIE Ry Zilpha VI. Lumbe

IN THE seclusion of her room Chotis marked her swiftly to her My ment bitterly as she reread the and appropriate action decay to few weeks he has been in compart a great deal, with a strange girl, where name is Mazie 1— which is causing much gossip. Perhaps you think this doesn't concern me, but caring for you as I do, prompts me to take such an interest. May I call in see you some time soon? Sincerely MAX A—.

Two days later t'ar! G— received a small package and a letter from Gladys to the effect that their engagement was broken and she never wished to see him again.

Soon after this the United States charactered the war and Carl and his roomemate, Reggie, were among the first to called a characteristic of the following mouths cladys devoted her days to knitting, helping the fedicacles for the boys over there weekly calls at the G——home informed by of Carl's welfare of the

where Although in her beart she knew she loved that, still her brain urged melimition now may lead to finine some their to marry Max. Since that had been unrue to her by lavisting his attentions while at college on Maxle I.—

The third week was being spent at a house party given by an aunt in the heart of the title girl or boy who loves next State for her daughter. It was at dinner, on the last day of her yield there, when, just before the last course was served, her aunt stood up lend said: "Girls and boys, I wish to discover a first which the stood up lend said: "Girls and boys, I wish to discover and her wouldn't seem the engagement of my daughter. Betty Christine, to Lleutenant Beginned J.—

U. S. A. "A and hurralls Jack B.—

Third-giving somehow wouldn't seem the course of my daughter. Betty Christine, to Lleutenant Beginned J.—

U. S. A. "A and hurralls Jack B.—

Third-giving somehow wouldn't seem the course of my daughter. Betty Christine, to Lleutenant Beginned J.—

The third week the being seem to the place of the strength of the course of my daughter. Betty Christine, to Lleutenant Beginned J.—

The third week the being somehow wouldn't seem the course of my daughter. Betty Christine, to Lleutenant Beginned J.—

The third week the being somehow wouldn't seem the course of my daughter and should be the strength of the course of my daughter and the more of the state and should be the strength of the course of the state and should be the strength of the course of the course of the strength of the course of the course

Jumped into his claim and shouled:

"Here's to Beggie, along Mazle,

For him at college some were crazy."

Now, who was Mazle the Mazle who had caused her trouble with Carlo Giadys could think of nothing else, so during the afterness she drew her sensition of quiet else and chart and special properties. The engaged Mazle and Carlo strang 2rt, Maze, were one and the same. As a freeliman he was made hy some suphonores to pose as a girl during some part of each day and Carlows chosen to be attentive to him at two times in brider to make the diagules increment of each day and carlo strang and the same. As a freeliman he was made hy some suphonores to pose as a girl during some part of each day and Carlows chosen to be attentive to him at two times in brider to make the diagules more perfect.

Of course, Charlow have the reat, Without stopping to say good-by to the party.
